

COUNTING PIECE

or

WHEN WAS THE LAST TIME YOU HEARD ON THE NEWS HOW MANY IRAQI'S HAVE DIED SINCE
THE WAR BEGAN?

or

100,000 FINGERS IS A POOR SUBSTITUTE

Adam Overton, July 2008

. . .

*out loud
for a little longer than you can stand
for whatever it's worth*

. . .

on your fingers
count from 1 up to 151,000 (or more)

. . .

* "A large national household survey conducted by the Iraqi government and WHO estimates that 151,000 Iraqis died from violence between March 2003 and June 2006." - World Health Organization, 9 Jan 2008
