During the first two weeks of November, 2008, I was in Minneapolis MN, developing ArtWise, an exhibition revealing the 15 year history of Kulture Klub Collaborative, artists and home-less youth bridging survival and inspiration. I created KKC in 1992 to understand how artists could support others through their work.

I read through the obituaries on November 4th in the Minneapolis Star Tribune. Upon reading the following sentence in a longer obituary, "Our beloved wife, mother, grandmother and aunt was greeted by her Savior Jesus Christ on 11/3", I smiled. Hosting people well is an art. Believing that you will be hosted well is a relief.

Yours,
Dorit Cypis
